Which objects resist the water and are waterproof?

Draw the objects on the chart below.

not waterproof ☹️ ❌	Waterproof 😊 ✅

Rosa's Big Bird Feeder

Experiment

Rosa and her friends have made lots of different bird feeders.

Which one do you like best?

Can you spot the bird feeder made from a metal can?

Draw some birds feeding from the bird feeders.

Bird Spotting

Spot and count the birds in the picture below.

How many can you find of each species?
